"Anfaş Hotel Equipment positioned itself to be the most successful and efficient exhibition made in Turkey"

"We have been participating with Anfaş Hotel Equipment 2009 for 20 years now. The show was very well organized and positioned itself to be the most successful and efficient exhibition made in Turkey attracting more quality visitors especially from North Africa. We are satisfied to have a positive response and a great volume of business generated during the show".

Want to Learn More About Turkish Economy?

After the 1980s, Turkey has emerged as a dominant player in global trade.

Due to the successful implementation of economic reforms, a privatisation program and an aggressive foreign trade policy, the Turkish GDP more than doubled over the last decade, becoming one of the fastest growing countries in the world. With a 2008 GDP of
